

Community Clean Up's in Rotherham South

Three very successful community clean up's have recently taken place in the Rotherham South Area.

The first one took place on the Greystones Estate in Whiston on 6th March, this was followed by Lillian Street off Wellgate on the 13th March and finally Coleridge Road in Eastwood Middle on 20th March.

All took place on a Saturday morning where Streetpride operatives attended with dustbin and recycling vehicles which enabled community members to dispose of rubbish appropriately.

Councillors Rose McNeely, Peter Wootton and Mahroof Hussain all attended and helped at the Wellgate clean up as did Councillors Barry Dodson and Shaukat Ali at the Eastwood clean up.
