

JADE V's Uprising Event.
Friday 19th February 2010

During October 2009's Half Term break the Rother Valley South Area Assembly contributed Devolved Budget funding towards Diversionary events for Young People. From the funding the Area Assembly Team joined up with JADE, Elected Members, South Yorkshire Police, Youth Service and other partners to hold a dance event for young people.

The JADE V's Uprising event attracted over 200 young people to the Dinnington Resource Centre to spend a night dancing and showing off their glow sticks. The event was so successful that another Uprising event was arranged for the February half term break.

This saw people of all ages attend in the main hall of the Dinnington Resource Centre. Glow sticks were in full swing for the evening's line up. Ultrabeat and DJ Set headlined the event, Topgrove, Spinner, Skegster and Ol Frazer got the crowd going by showing off their decking skills and funky beats for the jumping crowd.

One young person who attended the event stated it was "Fantastic and we want another one very soon" (Daniel Bennett from Thorpe Salvin)

“It’s slamming” said DJ Bezza from Dinnington

“It is a safe environment” said Phoebe Maddison from Dinnington.

Cllr Jane Havenhand stated “it went really well and everyone who attended behaved extremely well. This is yet another example of partnerships working well together and we are all looking forward to arranging the next event.”

All in all a good time was had by all which rounded off a very quiet Half Term.
