

## Warren Vale in Bloom

These are just a small sample of some of the many positive comments received by RMBC from customers, and uses of Warren Vale Road.

***Hello, I just wanted to email to say how great the verges on Warren Vale are with the wildflower planting. Can you pass on my compliments to whoever has planted them, they look really good.  
Hope you do some more.***

*I would like to thank the council for the work done along Warren Vale. The planting is attractive, and the wild flowers are superb! In fact they have inspired me to try a similar scheme on some land I don't use (if I can find the seed)*

***I would like to pass on my compliments to the team responsible for the stunning wild flower display on the roadside of Warren Vale between Rawmarsh and Swinton. Thank you.***

*Warren Vale Road up to the Woodman Roundabout where Poppies and Wild flowers are growing, customer wants to say how lovely this is, and to whoever is responsible "Thank You" because it looks beautiful.*

***Dear Sirs, I would just like to congratulate who ever came up with the idea of planting the hedgerows between the 2 roundabouts on Warren Vale. They are the most picturesque I have seen in a long time. I live at Wath and travel down that road twice a day; it is a pleasure to travel to work. Well Done!!!!***
