

## Renaissance Road shows

A series of Renaissance Roadshows will be taking place over the coming months, with the sole aim of getting the message out there on what's happening in your town. The Renaissance team will soon be travelling around the borough to meet you in leisure centres, supermarkets and libraries and tell you about the regeneration plans for the town centre. We will be at the venues listed below from 10am-4pm on the dates listed, to tell you what developments are finished and what's going to be starting. This is a great chance for you to ask us questions so come and see us!
